5:39 PM **Karen**: How'd your conversation go with the Rolling Stone gal?
5:40 PM **me**: good, but she wants a confirmed release date and to know what distributor is doing it before she'll take an article
5:41 PM so it may be a couple of weeks before I can do the piece
still,
I've got a confirmed assignment for Rolling Stone, just got to wait until the filmmaker makes announcement on that info
**Karen**: Very cool!
5:42 PM **me**: got plenty else to work on in the meantime anyway
**Karen**: And did you send my HuffPost submission?
**me**: I did indeed, couple hours ago
5:43 PM told her you were my mom, too
she'll read it
5:44 PM **Karen**: Oh! Thank you so much! Well, at least maybe I'll get an answer. Thanks again, MSTG. Funny when I have to as YOU for help! Love you -
**me**: love you too, happy birthday, have fun tonight
